Por que nos escolher?

1、Uma longa história

Como um dos principais fabricantes com uma longa história na China, produzimos um dos carburadores mais populares: o carburador HUAYANG, para toda uma linha de ferramentas de potência ao ar livre a gasolina, desde motosserras, sopradores, corta-grama, roçadeiras até ferramentas de construção.

2、Uma boa reputação

Nossos clientes se concentram principalmente nos principais fabricantes de motosserras e roçadeiras. Nossos produtos costumam ser instalados por eles em modelos de alta qualidade e são considerados uma opção para melhorar o nível geral das máquinas. E essa percepção foi gradualmente reconhecida pelo mercado de peças de reposição em vários países e regiões do mundo, incluindo a China.

3、A busca pela qualidade e o desempenho

Para algumas marcas com uma boa reputação mundial, como Stihl, Husqvarna, Echo/Shindaiwa e Oleo-Mac, assim como para as diversas ferramentas agrícolas e de jardim portáteis a gasolina produzidas por elas, enfatizamos o estado de desempenho e qualidade dos carburadores que produzimos uma vez instalados nas ferramentas das marcas mencionadas, em vez de simplesmente entender que está tudo bem desde que possam ser instalados e sejam feitas provas breves. Com esse objetivo, fizemos tudo o que foi possível para reunir muitos modelos das marcas mencionadas para garantir que o desempenho e a qualidade de nossos carburadores sejam confiáveis uma vez que saem da fábrica.

4、Responsabilidade social

Enfatizamos as responsabilidades sociais que as empresas devem assumir, que abrangem aspectos como a proteção do meio ambiente e o bem-estar dos funcionários ao mesmo tempo. Durante o processo de fabricação dos produtos, superamos avaliações rigorosas de proteção do meio ambiente e sempre cumprimos as leis e regulamentos laborais para proteger o bem-estar e a saúde física de nossos funcionários.

3、The pursuit of quality and performance

For some brands that enjoy a good reputation globally, such as Stihl, Husqvarna, Echo/Shindaiwa and Oleo-Mac, as well as various handheld gasoline-powered agricultural and garden tools produced by them, we emphasize the performance and quality status of the carburetors we produce after they are installed on the tools of the above brands, rather than simply understanding that it's okay as long as they can be installed and briefly tested. To this end, we have spared no effort to collect many models of the above brands to ensure that the performance and quality of our carburetors are reliable after leaving the factory.

4、Social responsibility

We emphasize the social responsibilities that enterprises should undertake, which involve aspects such as environmental protection and the well-being of employees at the same time.
