華陽品牌化油器  
服務小型內燃機世界

Huayang carburetor,  
the key partner for  
small gasoline engines.

WhatsApp: +8613918076585  
WeChat No: huayang-carburetor

*Your Demand = Our Pursuit*

## WHY CHOOSE US?

### 1、A long history

As one leading manufacturer with a long history in China, we produce one of the most popular carburetor --- HUAYANG carburetor, for A Full Line Of Gasoline Outdoor Power Tools from Chainsaws, Blowers, Grass Trimmers, Brush-cutters, to Construction Tools.

### 2、A good reputation

Our customers are mainly concentrated among major manufacturers that produce chainsaws and brush cutters. Our products are usually installed by them in high-quality models and are regarded as an option to upgrade the overall grade of the machines. And this perception has gradually been recognized by the aftermarket in various countries and regions around the world, including China.

### 3、The pursuit of quality and performance

For some brands that enjoy a good reputation globally, such as Stihl, Husqvarna, Echo/Shindaiwa and Oleo-Mac, as well as various handheld gasoline-powered agricultural and garden tools produced by them, we emphasize the performance and quality status of the carburetors we produce after they are installed on the tools of the above brands, rather than simply understanding that it's okay as long as they can be installed and briefly tested. To this end, we have spared no effort to collect many models of the above brands to ensure that the performance and quality of our carburetors are reliable after leaving the factory.

### 4、Social responsibility

We emphasize the social responsibilities that enterprises should undertake, which involve aspects such as environmental protection and the well-being of employees at the same time. During the process of manufacturing products, we have passed strict environmental protection assessments and have always complied with labor laws and regulations to safeguard the welfare and physical health of our employees.
