we are a quality manufacturer of sublimation-coated ceramics
and all kinds of photo sublimation-related products.

About Us

SignSub is a quality manufacturer of sublimation-coated ceramics and all kinds of photo sublimation-related products. Such as sublimation mugs, enamel mugs, stainless steel tumblers, water bottles, sublimation machines. Also, we provide various printing solutions.

Our factory was established in 2018, in Shandong cover an area of 150000 square meters in all, mainly producing white ceramic mugs, color ceramic mugs, enamel mugs, and sport water bottle. And we have been serving as the supplier of sublimation-related products for other enterprises.

Since 2021, we have established our own sales channel, which saves middlemen to earn the difference. Moreover, we focus all our energy on 300+ kinds of products in 4 categories with good market response, with great advantages in cost and quality control and factory direct sales.

So we can give customers the best price and quality.
