

## S-100A ULTRASONIC CLEANER

### Features:

- \*digital control washing machine
- \*It can be cleaned with ordinary tap water, alcohol and solvent.
- \*After cleaning, the object is as clean as new.
- \*All stainless steel housing and cover, high-grade and durable.
- \*All stainless steel professional cleaning blue (optional)

<b>ULTRASONIC CLEANER</b>
<b>Model : S-100A</b>
Ultrasonic frequency : 40000Hz
Tank material :Stainless steel SUS304
Capacity :30.0L
Cleaning basket :Stainless steel SUS304
Time control :Digital display timing control (1-99 Minutes)
Power supply: A C 220-240V, 50/60Hz
Ultrasonic Power :600W( 10 Vibration element)
Heating power :Digital display precision controlled heating
Product Size :530*330*330mm(L*W*H)
Tank Size :500*300*200mm (L*W*H) with Drain
Function
Net weight :Approx 18.5 Kg

## S-100A ULTRASONIC CLEANER

### Features:
