

## ULTRASONIC CLEANER

Model: S-40A

Ultrasonic frequency : 40000Hz

Tank material :Stainless steel SUS304

Capacity :10L

Cleaning basket :Stainless steel SUS304

Time control :Digital display timing control (1-100 Minuts)

Power supply: A C 220-240V, 50/60Hz

Ultrasonic Power :240W( 4 Vibration element)

Heating power :200W Digital display precision controlled heating

Product Size :330\*270\*280mm(L\*W\*H)

Tank Size :300\*240\*150mm (L\*W\*H) with Drain

Function

Net weight :Approx 8 Kg
