S-3516 computer wire stripping machine

1. Device function:

This machine is suitable for electronic wire, power line, data line wire surface without indentation, no safety defense line, shielding line and other wire.

2. Product Parameter:

Model name	S-3516 computer wire stripping machine
supply voltage	AC220V/50/60HZ
Peel length	Peel the head: 0-80mm Peel the tail: 0-50mm
Cut the length	1-99999.9mm
Cut the wire core	0.1-16平方
Catheter diameter	6mm、8mm、10mm、14mm、
Tool material	Imported high-speed steel, tungsten steel
Drive way	four wheel drive; four-wheel drive
Work output	1000-2000 slip/H
weight	45kg
Appearance size	610X450X300mm
