S-3517 computer wire stripping machine

1. Device function :

This machine is suitable for electronic wire, power line, data line wire surface without indentation, no safety defense line, shielding line and other wire.

2. Product Parameter:

Model name	S-3517 computer wire stripping machine
supply voltage	AC220V/50/60HZ, Single-phase
Peel length	Peel the head: 0-35mm Peel the tail:0-60mm
Cut the length	1-99999.9mm
Cut the wire core	0.1-4mm²
Catheter diameter	2mm、 3mm、 4mm、 5mm、
Tool material	Imported high-speed steel, tungsten steel
Drive way	four wheel drive
Work output	1000-2000 slip/H
weight	45kg
Appearance size	450X450X360mm
